Recommendation letter

By present letter, we, Consolidated Contractors Company has a pleasure to offer recommendation to the transportation company of the private entrepreneur Arslan Karadjaev.

Mr. Arslan Karadjaev and his excellent team provided transportation services for our company for more than 4 year. This transportation services included transportation of our personnel, overland transportation for materials on territory of Turkmenistan.

During the period of our cooperation Arslan showed serious commitments and professional skills in his business.

All the vehicles are in exclusively good condition and meet the high requirements of technical safety rules.

All the services have been fulfilled strictly in due time and in strict compliance with our requirements.

Taking into account abovementioned, we will strongly recommend the services of private entrepreneur Arslan Karadjaev to any employer without any hesitation.

Sincerely,

Dr. Ahmad El-Refai
